Important Information:

We are putting together a Hillgrove 8th grade baseball team for the spring and summer of 2011. Anyone young man that will be in the 7th or 8th grade that tryouts must live within the Hillgrove attendance zone. We will most likely keep 13 to 16 players on this team.

Our plan is for the team to play in various 14u tournaments during the spring. Then once school is out in late May, this team will become part of the Hillgrove HS summer program that will be coached by Hillgrove High School coaches. The summer program will begin practice and games the last week in May and most of the month of June.

If you are interested in trying out for this team, email one of the following people by Thursday, July 29th:
